### III. THE WEST

[ Cuba: The Cuban Government is likely to seize the three refineries owned by US companies in Cuba when these firms announce, as they presently plan, their refusal to comply with the formal Cuban order to process Soviet crude. The US Embassy in Havana believes the Cuban Government may seek Soviet assistance in providing technicians to replace displaced US citizens. Soviet petroleum experts may already be among the numerous technicians who have recently arrived in Cuba to help implement the Soviet-Cuban trade and credit agreements signed in February. ]
